1) ON CAMPUS – KAMEHAMEHA SCHOOLS MAUI CAMPUS

Facilities: (Mauka)

Gymnasium Complex (Kahekili)

The most efficient way is through the fire lane. Upon entering the school gates, the ambulance will take the first left from Keolaokalani st. up around the corner and enter the fire lane on the first right. Follow the fire lane about 200 yards and gym will be on the right side. Responsible individuals will wait at the beginning of fire lane and at the gym entrance for the ambulance. (Pay phones are located on the outside of the gym. Fronting the boys' locker room.)

Play Courts (outside basketball courts)

The ambulance will take the fire lane route (same as gymnasium complex). The play courts will be on the left side about 50 yards from the gym. Responsible individuals will station themselves, one at the beginning of the fire lane and the other at the gym. (Nearest pay phones are located at the gym. complex)

Soccer Field / Football (utility field)

The most efficient way is through the school gates. Third left off Keolaokalani St. will take the ambulance directly to the soccer field. To get vehicle onto the field have them routed through the fire lane (between middle school and utility field) entering through the Kula end of utility field. Responsible individuals will be at the second left and the other in front of the soccer field, curbside. (Nearest pay phones are located at the gym. complex)

High School Facilities:

Gymnasium Complex (Ka'ulaheanuiokamoku)

Ambulance route should be down athletic complex through Kalola St., using a'apueo road taking a right (opposite security check in station) on Kalola St. Fourth left, after grass field will take ambulance through fire lane, gym will be on the left side. Individuals will be as follows: one person at fire lane entrance, the other at gym entrance nearest fire lane. *AED is located in the gym foyer.

Emergency Action Plan - Kamehameha Schools Maui Campus

Stadium Complex (Kana'iaupuni)

Using the same route as above, go through the fire lane heading towards Kula until the lane ends at the far end of the stadium turning right on Kaihe'ekai St. Access is via driveway onto the field. Responsible personal will be situated at the entrance of the fire lane and the other at the end of the fire lane. *AED located in press box.

Tennis Courts Complex and Outdoor Basketball Courts

Use the same emergency route as stadium, and utilize road on mauka side that separates tennis courts and weight room, wrestling room, and training room complex. Individuals will be situated at the fire lane entrance and tennis courts entrance. Security personnel to escort if available.

Pi'ilani Pool

Use the same emergency route as tennis complex, in above. And swimming pool gate entrance is located at the end of weight room and training room complex on Kula side of pool. Individuals will be available for directions into these gates. Again, security will be used if available. * AED located in lifeguard office.
