**RADIO COVERAGE:**

No radio coverage has been announced at this time.

In partnership with the National Federation of State High School Associations, the HHSAA is excited to announce a campaign to showcase the tremendous value high school sports and activities bring to students. Our campaign, [#MyReasonWhy](https://www.instagram.com/myreasonwhy), highlights engaging stories

told by students, parents, coaches, officials and community members.

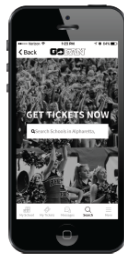

We know that high school sports and activities help students do more than build skills and character development. Participation in sports and activities gives students a sense of self and community - and research shows that 92 percent of parents are in agreement that participation in sports and activities leads to healthier lifestyles later in life.

We need your help capturing stories from Hawaii to share with a nationwide audience by encouraging students, parents, coaches, officials and community members to share their reason for participating and influential moments - big or small - using the hashtag [#MyReasonWhy](https://www.instagram.com/myreasonwhy).

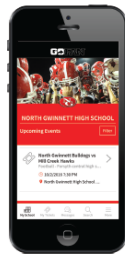

Watch our national campaign video, featuring Hawaii's very own Tucker C. from Wahiawa, and learn more at [nfhs.org/myreasonwhy](http://nfhs.org/myreasonwhy). Find your reason why.
