RESULTS:

Results will be posted on the HHSAA website, www.sportshigh.com, at the conclusion of the competition.

The top high school marksmen from across the state will converge at the Neal Blaisdell Exhibition Hall on Tuesday, Nov. 28, in the Hawaii High School Athletic Association / Civilian Marksmanship Program 10th Annual Air Riflery State Championships.

History of Air Riflery in Hawaii High Schools:

Air riflery became a statewide high school varsity letter sport in Hawaii in 1999. The 2006-07 school year saw its greatest participation with 972 student-athletes competing for 42 schools statewide.

While there is some variation among the leagues on team size and selection processes to the state championship all utilize the sporter air rifle in 3-position competition as a fall sport. Precision air rifles are not allowed. League competition, with the exception of Maui, is primarily team-based with an individual championship ending the season.

Hawaii's state championship is one of two in the U.S. that are sanctioned by the high school athletic governing body. Georgia is the other state with a sanctioned championship.

Shooters fire 20 record shots in each of the prone, standing and kneeling positions. A perfect score is 600. Teams are made up of four firing members from the same school.

Civilian Marksmanship Program:

It is the mission of the Civilian Marksmanship Program to promote firearm safety and marksmanship training with special emphasis on youths. For more information on CMP, log on to www.odcmp.com.

Tournament Procedure:

All 60 competitors in each gender fire in three positions: prone, kneeling and standing. Shooters fire 20 shots in each position.

All competitors shoot at the same time, beginning with the prone position. The targets are 32.8 feet away.

Thirty minutes are allowed for prone shooting. When completed the targets are retrieved and standing targets are mounted.

There is a five-minute changeover period between shooting positions to prepare for the next phase.

Forty minutes are allowed for standing shooting. When completed, those targets are retrieved and kneeling targets are mounted.

Thirty minutes are allowed for kneeling shooting.

Rules & Scoring:

All competitors use Daisey Sporter air rifles; precision air rifles are not allowed.

Shooters fire 20 shots in each position. A bulls-eye scores 10 points and each ring out from the center scores fewer points.

The maximum points possible in individual competition are 600. The HHSAA Championships records are 53 points for boys and 557 points for girls.

Team scores are drawn from a team's four highest scorers. The team scoring records are 2,129 points for boys and 2,111 points for girls.
