The top high school long-distance runners will vie for the state's most coveted crown in the 44<sup>th</sup> annual Honolulu Marathon/HHSAA Cross Country State Championships, Friday, October 31, 2008 at Hawaii Preparatory Academy on the Big Island.

The HPA campus, located in the small town of Kamuela, is one of the more challenging courses in the state with an estimated elevation of 2,000 feet above sea level.

The last time the race was held at this hilly campus in 2004, spectators witnessed one of the most unbelievable boys' race finishes in state championship history. HPA's Emmett Weatherford overcame a considerable lead on the home-stretch by defending state champion Jeremy Kamakaala of Kamehameha-Kapalama to cross the finish line with a time of 17:21.65 – only a mere 25-hundredths of a second, taking the gold medal in an exhausting three-mile race.

The girls event in '04 was not so dramatic with HBA junior Lauren Ho dominating the 2-mile race by 30 seconds, finishing with a time of 12:34.95. That year was the final year of the 2-mile race course for the girls.

Defending state champion Bryce Jenkins is attempting to become only the second boy in championship history to win three state titles. Although it would seem an unlikely feat for the Leilehua senior, who has been hampered by injury most of the season, Jenkins managed to stay in top form to claim the OIA west championship in his first competitive race this fall. His only other race of the season was the Hawaii Prep Invitational on Sept. 20, which he finished last as he walked the entire race to maintain eligibility.

Girls defending state champion Kristin Ali Keith of Mililani High School, looks to defend her state championship. Ali Keith finished second in the OIA west championships behind teammate Nicole Painter.
