## **JUDO TOURNAMENT**

### **I. Specific Objectives**

- A. To determine the state individual and team championships.
- B. To promote interest in judo on the part of students, school, and community.
- C. To promote individual, team, school, and spectator citizenship.

### **II. Officials**

#### A. Selection and Assignments

- 1. Officials may be selected from all participating leagues. Names of qualified officials may be sent to the HHSAA Executive Director by a league's Executive Secretary or his/her representative.
- 2. Selection and assignment of officials shall be made by the HHSAA Executive Director and HHSAA Sport Coordinator.
- 3. There shall be one judge and two referees for each match.

#### B. Financial Allowance

- 1. Referees and judges shall be paid based upon HHSAA rates.
- 2. HHSAA Rate: \$3.00 per match

### **III. Eligibility (See HHSAA Handbook)**

### **IV. Rules Governing the Tournament**

- A. The Contest Rules of the International Judo Federation ("IJF"), except as modified herein, shall govern all matches.
- B. Coaches are reminded to instruct their athletes of the tournament venue's regulations and to abide by these regulations.
- C. NFHS Wrestling Rules 4-2-3 through 4-2-5 shall apply to situations involving communicable skin diseases or any other skin condition.

ART. 3... If a participant is suspected by the referee or coach of having a communicable skin disease or any other condition that makes participation appear inadvisable, the coach shall provide current written documentation as defined by the NFHS or the state associations, from a physician stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to any opponent. This document shall be furnished at the weigh-in for the dual meet or tournament. The only exception would be if a designated, on-site meet physician is present and is able to examine the wrestler immediately after the weigh-in. Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate.

ART. 4... If a designated, on-site meet physician is present, he/she may overrule the diagnosis of the physician signing the physician's release form for a wrestler to participate with a particular skin condition.

ART. 5... A contestant may have documentation from a physician only indicating a specific condition such as a birthmark or other non-communicable skin conditions such as psoriasis and eczema, and that documentation is valid for the duration of the season. It is valid with the understanding that a chronic condition could become secondarily infected and may require re-evaluation.

Also, the HHSAA's "Physician Release for Athlete to Participate With Skin Lesion(s)" shall be utilized as appropriate. See attached.

D. The teams are required to bring their own blue belts to the state tournament.

## V Tournament Format

If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in the scale. If multiple scales are available, a contestant may step on and off the first scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. During time off the scale(s), activities that promote dehydration are prohibited.

#### F. Tournament Site

1. Unless otherwise agreed upon between the OIA and ILH, the hosting of the HHSAA State Judo Tournament shall be rotated as follows: OIA-ILH

2. Unless otherwise noted, all consolation bracket matches shall be three minutes.
3. All 1<sup>st</sup>, 3<sup>rd</sup>, and 5<sup>th</sup> place matches shall be five minutes.
4. A sudden death overtime equal to the length of the regulation period shall be implemented in the case of a tie at the end of the regulation period. The contestant who scores the first point in overtime shall be declared the winner. If a tie still exists at the end of overtime, the referee and judges shall declare the winner based only upon the contestants' performance in the overtime period.
